A day dedicated to mum. Show her the love by treating her to a delicious lunchtime feast with our team. It'll be just like shouting her a trip to South-East Asia, without the expense of the airfares!

Head Chef, Dylan, has designed a delicious menu for the day, which comes with a glass of sparkling for all adults on the table. Kids don't miss out though, with a \$15 kiddy menu for the wee humans.

The mumma love doesn't stop with lunch, with every mum taking home a goody bag with a Red Spice QV cookbook!
